335-0002 Series Black (Shown)

335 Series Chrome (Shown)

Unity Manufacturing has provided top quality emergency and auxiliary lighting products since 1918. UNITY®LED Post-Mount Spotlights come in a rugged, high-impact PC/ABS Chrome or Black housing to provide unmatched performance, reliability, and durability. The Spotlight utilizes LED technology rated at 215,000 candlepower, 30 watts, and up to 50,000 hours lamp life. UNITY®LED utilizes projector beam optics delivering more light than conventional optics. The light is collimated providing a tightly controlled 4°H x 4°V beam with minimal dispersion which means more useful light for nighttime activities!

The LED lamp has a sealed, hard-coated, polycarbonate lens that is break resistant, virtually indestructible. The instantly aimable light is easy for anyone to use. Whether you need additional light for traffic stops, to illuminate your work area, to help you find street signs or house numbers, or to follow the path of a broken power line, the UNITY®LED post-mount spotlight is ***a bright idea for any vehicle!^{sm}***

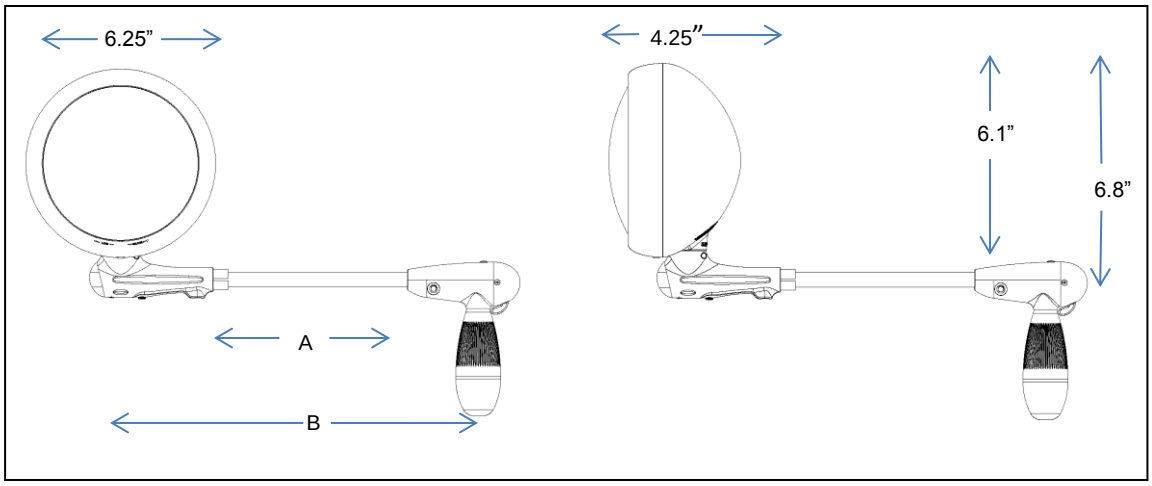

U-8547 LED 4°H x 4°V Spot Lamp meets SAE J591, J575, J578 - Emits zero EMI

X-LED™ Post-Mount Spotlights
