This is to certify that, based on information from our suppliers, the product series / part numbers shown above do not contain substances of the Safe Drinking Water and Toxic Enforcement Act of 1986, known as Proposition 65. Every effort is made to source our products responsibly and to comply with local regulations. Proposition 65 requires the provision of a warning to California consumers regarding products containing certain chemicals. For more information about Proposition 65, please visit the California OEHHA Proposition 65 program at <http://www.oehha.ca.gov/prop65.html> or <http://oehha.ca.gov/proposition-65/proposition-65-list>.

This certification does not modify or alter the terms of any contract or purchase agreement that exists between Littelfuse, Inc. and the purchaser of said parts. Further, I certify that I am authorized to make the representations provided in this compliance certification on behalf of my company.

This information is based on the information provided by our component and/or raw material suppliers. If you require further information, please contact us via email at envrequests@littelfuse.com or call +63 043 430 0108
