

TRAILER CABLE WIRE - RATED 80 degrees C

General purpose primary wires covered in a high quality, PVC jacket. Especially designed for reliability as an integral part of the brake and safety systems. Heavy-duty compact cable protects insulated conductors against weathering, chemicals, and abrasion. Color-coded conductors enable easy identification.

ph: 800-328-2724
fax: 800-858-0319

Voltage: Rated at 60 Volts or less

Temperature: Rated -55 degrees C (-67 degrees F) to 80 degrees C (176 degrees F)

Specifications: Inner wires meet SAE J1128

Print Legend:

EPM (size) GA / (# cond) - 55 degrees C (-67 degrees F) / 80 degrees C (176 degrees F) MADE IN USA
