See Better and Work Safer at Night!

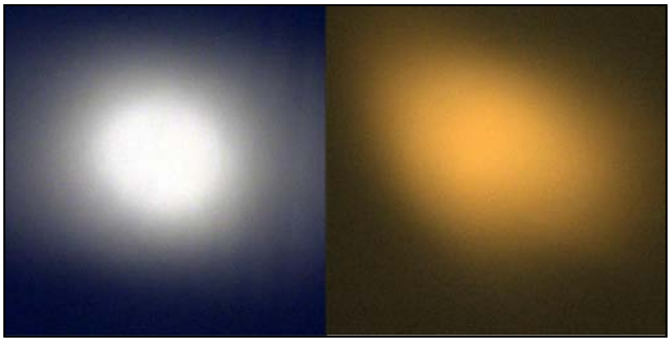

- Instant aimable light when and where you want it!
- Bright light virtually turns the night into day!
- Easy to install on any work truck!

Unity Manufacturing has provided top quality emergency and auxiliary lighting products since 1918. Unity's Post-Mount Spotlight comes in a rugged, high-impact ABS Chrome or Black housing to provide unmatched performance, reliability, and durability. The Spotlight utilizes an H3 bulb for availability and economy, which is rated at 245,000 candlepower, 100 watts, and 100 hours lamp life. The lamp has a polycarbonate lens that is break resistant, virtually indestructible, and contains a U. V. ray inhibitor to prevent clouding or yellowing. The instantly aimable light is easy for anyone to use. Whether you need additional light to illuminate your work area, to help you find street signs or house numbers, or to follow the path of a broken power line, the post-mount spotlight is the perfect lighting accessory for any work truck.
