

#### Mobile Die Set / 4300-5638/AAA

Mobile die set - Yazaki 2.8 Series with wire seal 14-10 AWG (6mm<sup>2</sup>-2.5mm<sup>2</sup>)

This is one of the interchangeable crimp die sets for the MCT frame. A wide range of crimp dies enables the user to cover all applications in just one tool frame.

- Reliable – crimping performance is consistent and accurate with a parallel action stroke.
- Easy to use – designed to give the user full visibility of the crimping process. Handles are shaped for low effort crimping with a one or two hand grip.
- Versatile – an easy-access release function allows fast and simple exchange of crimp dies. No special tools needed.
- Weight and size of the tool are optimized to make it easy to carry. Dies are kept in pairs and delivered in a modular reusable box.
- Comfortable – the entire tool frame is covered in smooth plastic for comfortable use, also for outdoor operations in all weather conditions.
- Hole in handle allows attachment of safety strap. The part number is a reference to the die set without frame.
