SELF-CUTTING CABLE TIES

w/Stainless Steel Blade

ANCOR

Save yourself time and frustration by switching to the self-cutting cable ties from Waytek. These cable ties include a small stainless steel blade that provides a quick, clean cut eliminating the need for other tools. With strong locking technology, self-cutting cable ties maintain their strength and durability even after a flush cut. Perfect for use in tight spaces, self-cutting cable ties are offered in various lengths and tensile strengths with a nylon 6/6 body.

- Stainless steel blade
- Material flammability rating: V-2
- Black nylon is UV resistant
- 15" and 17" ties provide 120-lb. tensile strength

| | Nominal I.D. | Bag Qty | Stock # | Tensile Strength (lbs.) |
|-----|--------------|---------|---------------|-------------------------|
| 8" | Natural | 50/bag | 21155K | 50 |
| | | 500/bag | 21155H | 50 |
| | Black* | 50/bag | 21154K | 50 |
| | | 500/bag | 21154H | 50 |
| 11" | Natural | 50/bag | 21157K | 50 |
| | | 500/bag | 21157H | 50 |
